

Sophia Juan

Frontend Developer & Designer with 6+ years of experience creating engaging websites and visual designs. Blends technical expertise with creative design to deliver impactful digital experiences.

FRONT-END
DEVELOPER &
DESIGNER

EXPERIENCE

Digital Developer

HH Global, Sep 2024 - Present

- Part of the pioneer batch launching the Content Studio Manila; created workflows, cheatsheets, and documentation for scalable delivery.
- Designed and developed email templates (Samsung Italy, Coca-Cola, internal events) in Mailchimp and custom HTML/CSS.
- Built interactive PDF forms for HSBC Australia/APAC, ensuring compliance and usability.
- Adapted Dyson x Mecca Australia microsite for offline iPad kiosks, enabling smooth in-store use.
- Served as UI/UX designer and developer for internal websites and brand hubs; maintained SharePoint content and consistency.
- Support the creative team with print and digital design outputs, and contribute to creative automation initiatives using CHILI GraFx

Mid Frontend Developer

DottyStyle Creative Co., Apr 2024 - Aug 2024

- Developed responsive Corporate and Shop pages for a major U.S. brand using Shopify + Liquid, implementing custom features and managing content updates.
- Co-built a GSAP-animated SPA for a campus info kiosk, showcasing amenities (cafes, meeting rooms, etc.).
- Built authentication and booking pages for a parcel shipment app in React, integrating APIs and email templates.
- Co-developed an animation-rich article page for a Korean automotive brand using Vue JS + GSAP.
- Delivered internal projects including HTML banners, static landing pages, and email templates.

Frontend Developer & Designer

HTech Corporation, Oct 2020 - Mar 2024

- Delivered front-end projects for telcos, government agencies, F&B brands, healthcare orgs, and campaign microsites.
- Fixed bugs, ensured mobile responsiveness, and improved UX across client projects.
- Collaborated with designers from wireframes to handoff, providing technical + UI/UX solutions.
- Provided technical and UI/UX solutions to meet client requests.
- Managed the frontend boilerplates and reusable components.
- Guided junior devs via code reviews and tech-sharing sessions on tools, CSS, and workflow hacks.

Freelance Frontend Developer & Designer

Apr 2022 - Feb 2023

- Built Laravel-powered travel booking webpages showcasing Philippine destinations.
- Designed digital backdrops for events, minimalist logos, and educational infographics.

Web Designer

MCVO Outsourcing Talent Resources, Oct 2019 - Sep 2020

- Designed UI mockups, prototypes, and client presentations.
- Developed websites using WordPress with SEO best practices.
- Maintained websites' performance and delivered marketing assets (emails, banners, infographics).

IT Support (Internship)

SVG & Co., Jun 2018 - Aug 2018

- Provided technical assistance and support for incoming queries and issues related to computer systems, software, and hardware.
